

THE MORNING ASTORIAN QUICK RETURN COLUMNS

The supplying of any want that may arise in domestic or commercial life may be readily and quickly accomplished at a nominal cost by the publication of the want in the "Want Ad." columns of the Morning Astorian.

A necessity which may arise for buying or selling horses, carriages, furniture, pianos, real estate, sewing machines, bicycles, safes, watches, jewelry, typewriters, or thousands of other articles, can be met at once by the insertion of a suitable advertisement in the morning Astorian.

To secure help of any sort, or situation of any kind, to find lost articles, to secure board or boarders, lodging or lodgers, borrow money, obtain any kind of security; any of these wants may be supplied by using the "Want" columns of The Morning Astorian.

CITY ADVERTISEMENTS.

NOTICE.

Notice is hereby given that the common council of the city of Astoria has declared its determination and intention to improve Exchange street from the east line of Eighth street to the west line of Ninth street to the full width thereof and on the established grade thereof, and including in addition thereto, the side walk corners on Eighth street, or the side walks from 8 feet west of the east line of Eighth street, to the west line of Ninth street. Said improvement shall be made by grading said streets to the full width thereof and on the established grade thereof, with a sub grade for the macadam, and by constructing side walks of concrete or cement 8 feet wide on each side of said street, with catch basin at each corner, connecting with the sewers, and by grading the street to a sub grade of 12 inches below the established grade, with a crown of 12 inches in the center and by macadamizing, or filling in the street with crushed rock to the depth of 9 inches when thoroughly rolled.

In matters of detail said improvement shall be constructed according to the plans and specifications therefor to be prepared by the City Surveyor as hereinafter provided and general ordinance No. 1901 and any matter of construction and drainage found necessary to make the improvement safe or substantial shall be done by the contractor whether specified or not, without extra charge.

That the costs and expenses of constructing said improvement shall be defrayed by special assessment upon the lots, lands and premises benefited by the same which said lots, lands and premises are included in the special assessment district including all lots, lands and premises so benefited to wit:

Lots 5, 6, 7, and 8 in Block 42, and lots 1, 2, 3 and 4 of Block 47 all in that part of the City of Astoria as laid out and recorded by John McClure, and extended by Cyrus Olney, in Clatsop County, Oregon.

OLOF ANDERSON,
Auditor and Police Judge of the City of Astoria. 5-11-8t.

NOTICE.

Notice is hereby given that the common council of the City of Astoria has declared its determination and intention to re-establish the grade on Harrison avenue, from the east line of 9th street to the west line of 11th street, at the following elevations above the base of grades, as established by ordinance No. 71 of the City of Astoria, to-wit:

At the intersection of Ninth street, at 149.5 feet on the North side, and 152.5 feet on the south side, at the intersection with 10th street; at 131 feet on the north side, and 134 feet on the south side, at the intersection with Eleventh street at 99 feet on the north side, and 102 feet on the south side.

That between said points above designated, the grade shall be upon a gradual slope.

OLOF ANDERSON,
Auditor and Police Judge of the City of Astoria. 5-11-10t.

NOTICE.

Notice is hereby given that the common council of the City of Astoria has declared its determination and intention to establish the grade on Grand avenue from the west line of Fifth street to the east line of Eleventh street so that said grade, when so established will be at the following elevation above the base of grades as established by ordinance No. 71, to-wit:

At Fifth street, on the north line, at 206.5 feet, and at the south line at 208.5 feet; at Sixth street, on the north line at 180 feet, and on the south line at 183 feet; at Seventh st., on the north line, at 157.5 feet, and on the south line 160.5 feet; at 8th street, on the North line, at 133.5 feet and on the south line at 136.5 feet; at Ninth street on the north line at 112 feet and at 115 feet on the south line; at 10th street, at 96 feet on the north line and 99 feet on the south line; at Eleventh street at 72 feet on the north line, and 74 feet on the south line.

Between said points above designated, running east and west, said grade shall be on a gradual slope, and the elevations hereinbefore given for the grade of said street, at said crossings, shall extend across each of said crossings.

OLOF ANDERSON,
Auditor and Police Judge of the City of Astoria. 5-11-10t.

NOTICE.

Notice is hereby given that the common council of the city of Astoria has declared its determination and intention to improve Tenth street from the

CITY ADVERTISEMENTS

south line of Commercial street to the north line or Exchange street. Said improvement shall be made by improving said street to the full width thereof, and on the established grade thereof, excepting the crossing of Duane street and said Tenth street. From the south line of Commercial to the north line of Duane street, the improvement shall be made by removing the old decking, side walks and placing four new stringers on each side of the street throughout the extent thereof, and by constructing new sidewalks on each side of the street 8 feet wide, and by replanking the street from curb to curb to be laid on the new stringers as well as the old stringers now on the street.

The planking to be four inches in thickness by 12 inches in width, and all material used shall be of good, sound red or yellow fir lumber. And the side walk decking to be 2 inches in thickness, and from the south line of Duane street to the North line of Exchange street, improvement shall consist of constructing new side walks on each side of the street 8 feet wide, side walk decking to be 2 inches in thickness, with gutters along the side walks and grading said street from curb to curb, to the sub grade, so that the street will be to the established grade when macadamized, and with a 12 inch crown in the center, and filling in and macadamizing the street with crushed rock to the depth or thickness of 12 inches with a 12 inch crown in the center, and the same shall be thoroughly rolled.

In matters of detail said improvement shall be constructed according to the plans and specifications therefor to be prepared by the City Surveyor or as hereinafter provided and general ordinance No. 1901 and any matter of construction and drainage found necessary to make the improvement safe or substantial shall be done by the contractor whether specified or not, without extra charge.

That the costs and expenses of constructing said improvement shall be defrayed by special assessment upon the lots, lands and premises benefited by the same which said lots, lands and premises are included in the special assessment district including all lots, lands and premises so benefited to-wit:

Lots 3, 4, 5, and 6 in Block 26; Lots 1, 2, 7, and 8 in block 60; Lots 1, 2, 7 and 8 in Block 44; Lots 3, 4, 5, and 6 in Block 43, all in that part of the City of Astoria, as laid out and recorded by John McClure and extended by Cyrus Olney.

OLOF ANDERSON,
Auditor and Police Judge of the City of Astoria. 5-11-8t.
